Schoonover Lake Trout Release

On Monday, April 10th, 2023, the Ohio Department of Natural Resources' Division of Wildlife will be releasing trout at Schoonover Lake. Schoonover Park already contains several amenities including a connection to the bike path, playground, restrooms, shelter house, and the observatory. In addition to these many offerings, rebuilding the stock of fish in Schoonover Lake is part of the city's plan to aide in the restoration of this park as a premiere fishing spot.
