### State Route 81 Resurfacing

The City of Lima will be resurfacing State Route 81 along the following segments: Allentown Road from Columbia Drive to Jameson Avenue, and Jackson/Findlay Road from North Street to Sugar Street. Asphalt work is scheduled to begin May 1st on Jackson/Findlay Road. Rolling lane restrictions can be expected during the construction. Watch for delays. An alternative route is suggested for through traffic. The project is expected to last two weeks. Construction schedules are subject to change based on weather and unforeseen circumstances. The Engineering Department is available at 419-221-5288 for any questions about the project.
