Community Entertainment District 101

On Tuesday, May 23rd, 2023, the City of Lima will be hosting a Community Entertainment District (CED) 101 educational program at 6 PM in Council Chambers, 50 Town Square. The purpose of the CED 101 program is to provide interested businesses with an explanation of the CED, provide resources on how to apply for a D5J liquor permit, discuss the Lima Police Department's community safety plan, and present the City's vision for the district. Lima's Community Entertainment District is located on Main Street from Grand Avenue to Fourth Street. We invite all interested community members and business owners to participate.
